The screenshot shows the "Directory List & Print" application window. The interface includes a menu bar (File, Setup, Help), a toolbar with numbered tabs (1. Directory, 2. Columns, 3. Display, 4. Filter, 5. Output, 6. Action, Pro License), and a main workspace. The workspace is divided into a "Starting directory of the file list" pane on the left showing a tree view of drives (Local Disk (C:), CD Drive (D:), Softpedia (E:), My Documents) and a "Favorites" pane on the right. Below the workspace is a "File List" section with a "Create / update file list!" button and a "59 Objects" label. The file list is a table with columns for Number, Name, Path, Date created, Time created, Date modified, Time modified, Size KB, and File Type.
